She has a really unique color pattern that's almost tiger or leopard like. No matter where you were in the pasture you could always find this girl and it will be the same in the show ring. This heifer is super deep and soggy with a bold rib cage and she does not disappoint when you get behind her. She is very sound and will just glide around the show ring the summer. This heifer is the full sib to our high selling steer in the 2015 MWI Sale.
4	\$1,250.00	4	Jassie James	I da Man	crossbred or can be Maintainer	3/12/16	Steer	Huber Farms 2015 N 400th Ave Plainville, IL 62365	Krutmeier Cattle Stan Krutmeier 217-242-0330	Huge Hipped, tight throated, deep bodied steer. His dam is a first calf heifer we bought from the M Lazy Heart Ranch and out of a donor cow that was division champion at the Junior Nat'l's and NAILE.
5	\$ 1,250.00	5	Fu Man Chu	HF46 X-Bred	X-Bred	2/26/16	Steer	Huber Farms 2015 N 400th Ave Plainville, IL 62365	Huber Farms Grant or Dennis Huber 217-257-7170	This steer is one of two Fu Man Chu steers we have to offer in our lineup. I really like these Fu Man Chu steers I wish I had a whole trailer load to offer our customers. As good as this picture is it really just doesn't do him justice. Check out his video you will see what I me mean. When we get this steer set up he looks like a darn good show steer. He is so calm and gentle another good steer for and young showman. He is super clean fronted with that perfect head shape. He is super deep bodied and has tons of bone. The guy had so much hair in June we had to bring him in and slick shear him off because he was so hot in the pasture. You can tell he has a ton of hair from his video and he put all that hair on in just 4 hot summer months. I think it's safe to say you won't have any trouble keeping hair on this one at the summer shows.
6	\$1,250.00	6	Mitten Man	Nemo/Reality Red	crossbred or can be low % Chi	4/8/16	Steer	Huber Farms 2015 N 400th Ave Plainville, IL 62365	Krutmeier Cattle Stan Krutmeier 217-242-0330	Great haired, big boned, big hipped stout steer. Good in every way plus a great project for a younger showman. Named Teddy because of his good easy attitude. And those big furry ears just show him off.
7	\$ 1,250.00	7	Searsboro	HF14 BPF High Definition	Mainetainer	3/1/16	Steer	Huber Farms 2015 N 400th Ave Plainville, IL 62365	Huber Farms Grant or Dennis Huber 217-257-7170	Big Red!! Everyone needs one they call Big Red in their showstring. I really like this steer he could easily make a case for the number 1 spot in this sale he is that good. Big Red always commands the attention of anyone who walks in our showbarn. He has a huge butt with a ton of muscle and has a top so wide you could land a plane on it. He is extremely sound structurally and sets a huge foot down as soft as a cat. This steer is out of our BPF High Definition Maine cow and she raised our high selling steer in the 2014 MWI Sale.
8	\$1,250.00	8	Walk This Way	Yellow Jacket	crossbred or can be low % Chi	4/4/16	Steer	Huber Farms 2015 N 400th Ave Plainville, IL 62365	Krutmeier Cattle Stan Krutmeier 217-242-0330	Cocky, choke throated, great bone just a killer look in a smaller built steer. 9	\$1,500.00	9	Searsboro	HF3 Impluse	Chi	3/21/16	Heifer	Huber Farms 2015 N 400th Ave Plainville, IL 62365	Huber Farms Grant or Dennis Huber 217-257-7170	Freaky Fronted!!! This heifer has a beautiful front end on her. Her smooth shoulder ties in perfectly with her classy feminine look. She is super thick and big boned which I think comes from her daddy Searsboro. For those of you that do not recognize the bull Searsboro, he is named after the town in Iowa where supposedly all the good clubby bulls come from. Searsboro is a darn good Lautner Bull that doesnt get used enough. He is very sound and one of the best older bulls at the stud farm. This heifer's mother is darn good too. This cow family has great longevity in their bloodlines, lot 3 and lot 9, both have the same grandmother and they will be in your herd for a long time.
10	\$1,250.00	10	Maternal Perfection	Monopoly	crossbred or can be Maintainer	4/20/16	Steer	Huber Farms 2015 N 400th Ave Plainville, IL 62365	Krutmeier Cattle Stan Krutmeier 217-242-0330	MP and Monopoly built steer, smooth, rocket necked, fluffy haired with plenty of mass. This is a fan favorite
11	\$ 1,250.00	11	Fu Man Chu	HF17 X-Bred	X-Bred	2/23/16	Steer	Huber Farms 2015 N 400th Ave Plainville, IL 62365	Huber Farms Grant or Dennis Huber 217-257-7170	This is our second Fu Man Chu steer we are offering in this sale and honestly he is so good I could not decide which steer to sell first Lot 5 or this guy. This steer is made just a little bit differently than the Lot 5 steer this guy is still really clean and smooth in his front end but he packs in more rib shape and if you can believe it is deeper through his center cavity and he still packs great muscle pattern. This guy is really athletic and can move around any showing you put him in.

12	\$1,250.00	12	Yellow Jacket	Target	crossbred or can be Maintainer	5/15/16	Steer	Huber Farms 2015 N 400th Ave Plainville, IL 62365	Krutmeier Cattle Stan Krutmeier 217-242-0330	Some say this is the best steer in our offering just really green. If you like a blonde, this guy has it going on. He is just built right from the ground up plus cool facial color.
13	\$ 1,500.00	13	HF Thor	HF22 Sun Seeker	Shorthorn Plus	4/18/16	Heifer	Huber Farms 2015 N 400th Ave Plainville, IL 62365	Huber Farms Grant or Dennis Huber 217-257-7170	Flashy!!! This heifer is super cool when you get her set up. Her color pattern alone will catch the judge's eye. But when she starts to walk around the ring that's when the judges will fall in love with her. She has amazing athleticism and is so smooth and light on her feet. Her ultra-cool feminine look is to die for and she's got tons of body shape too. Lot 13 has cow power written all over her. After you get done showing her take her home and let her go to work making you money. She will produce some great show heifers. Her mother is 12 years old and I hope she will be on our farm forever.
14	\$1,250.00	14	Yellow Jacket	Legacy Plus	crossbred or can be Maintainer	3/29/15	Steer	Huber Farms 2015 N 400th Ave Plainville, IL 62365	Krutmeier Cattle Stan Krutmeier 217-242-0330	We call him Hosse, huge bone and foot, big thick top, crazy hair, bulging stifle, this guy will be easy to feed and a heavy weight steer.
15	\$1,500.00	15	BPF Hard Drive Son	HF34 X-Bred	Mainetainer	4/16/16	Heifer	Huber Farms 2015 N 400th Ave Plainville, IL 62365	Huber Farms Grant or Dennis Huber 217-257-7170	Lot 15 is sired by our new Maine herd bull BPF Hard Drive son. We only used him to clean up a few cows so we only had 2 calves out of him this year. The first was a purebred maine bull calf that the Waner Farm claimed the day after he was born and yes he is that good. The second calf is this Lot 15 Mainetainer heifer. Dad and I went back and forth all year long on whether or not we should sell this heifer because she is going to be such a great cow. But we decided to offer her in our sale. Yes she is going to make a darn good cow she is super soft made for a Maine heifer and her feet and legs are perfect and in line. I am really excited to see what kind of maine calves this one can produce.
16	\$1,250.00	16	Heatwave	Full Flush	crossbred	3/2/16	Steer	Huber Farms 2015 N 400th Ave Plainville, IL 62365	Krutmeier Cattle Stan Krutmeier 217-242-0330	A true Heatwave out of Full Flush Dam, heavy muscled, big middled, good doing calf. Plus he has a good temperament for a heatwave. We call him Clifford (the big red dog!)
17	\$ 1,500.00	17	Searsboro	HF44 X-Bred	Chi	4/28/16	Heifer	Huber Farms 2015 N 400th Ave Plainville, IL 62365	Huber Farms Grant or Dennis Huber 217-257-7170	Lot 17 is another heifer I think we should be keeping for the replacement heifer pen. Steer Maker is what comes to mind when I look at this heifer and here is why. She is out of our trusty HF44 cow who calved our high selling steer in the 2013 MWI Sale and before that she had a killer heifer that sold to Matt Dearwester. Matt got along so well with that heifer he actually named her Steer Maker and he decided to flush her. He will have ET calves calving this spring. I am super excited to see what he gets. This Lot 17 really reminds me a lot of that Steer Maker cow of Matt's she is moderate in her frame has a huge butt and structurally is very sound. If you are looking for one that will be able to produce some great show steers this is the heifer for you.

She is extra clean fronted, hairy, and has a super square hip. Her mother is a monopoly that comes from a long line of good quality Maine cows we have in our herd. Her older sister in gearing up for Louisville and she really looks awesome. Come to the open house on October 8 and 9 and request to see her in the old showbarn. 21	\$1,500.00	21	Mercedes Benz	HF13 Womanizer	Mainetainer	5/20/16	Heifer	Huber Farms 2015 N 400th Ave Plainville, IL 62365	Huber Farms Grant or Dennis Huber 217-257-7170	This Mercedes Benz heifer could really be good in the long run. She's easy to handle and will be a great project for a young shoman. Walks like a cat, hair, guts, just enough chrome to get a look. Plus easy to break a good heifer for a younger showman.
23	\$ 1,500.00	23	Maternal Perfection	Walkie Talkie	Maintainer	4/14/16	Heifer	Huber Farms 2015 N 400th Ave Plainville, IL 62365	Krutmeier Cattle Stan Krutmeier 217-242-0330	Another MP x Walkie Talkie heifer. This girl is feminie as they come. She's a little green yet, but has that natural great swoop to her belly, long bodied, just a swipe of white on her forehead. Plus she is easy to handle. Some young person wanting to start a herd could get a Awesome start with these two heifers.
