She also was FFA Champion Heifer and won Illinois State Fair Senior Heifer. This is a show heifer! She has hair, bone, high volume, deep flanked yet all in a feminine package and walks like a runway model. She is another embryo calf from our best donor cow and full sibling to two steers in the sale. We would love to retain her and breed her ourselves.
Lot 2 Tag 2	\$1,250.00	2	All That Matters	BPF Boomer	3/3/17	Steer	Maine		Huber Farms 2015 N 400th Ave Plainville, IL 62365	Huber Farms, Grant or Dennis Huber, 217-257-7170	This High Maine steer is sired by All That Matters. All That Matters is the kind of bull that we haven't seen in the Maine industry for a long time and he was a crowd favorite at Denver in 2015. This steer has the most center body of any steer we have ever sold. He is simply massive all the way through. He has tons of bone, look, and style with the hair to make him killer. Land Of Lincoln Eligible
Lot 3 Tag 3	\$1,250.00	3	I Da Man	Ali x Jazz	4/5/17	Steer	Crossbred		Huber Farms 2015 N 400th Ave Plainville, IL 62365	Krutmeier Cattle Stan Krutmeier 217-242-0330	We have three steers in the sale lot #3, #5 and 9 and all are Embryo calves, this one if from "different sire". Sired by I Da Man, this calf is extreme. Head up, smooth fronted, beautiful lines, great top and walks like a cat. He is a bit greener than the other two. This steer has that cocky show ring look and the way his head and neck fit into that smooth shoulder is awesome. This should be a fun steer for some lucky show person.
Lot 4 Tag 4	\$1,500.00	4	BPF Mercedes Benz	The Maine Man	3/14/17	Heifer	Maine		Huber Farms 2015 N 400th Ave Plainville, IL 62365	Huber Farms, Grant or Dennis Huber, 217-257-7170	I love this High Maine heifer. She will be a Super Show Heifer. She is a boss lady and she runs the show in the sale pen. We showed her this summer at two county fairs and the Illinois State Fair and she held her own very well against the older January heifers. She has the rib shape, width, dimension, and soundness to produce females that make money. Her mother is one of the best show heifers we ever raised - HF Aurora. See her in the supporting picture. Land Of Lincoln Eligible

This is a shorthorn plus heifer sired by Upshot (Angus) and the Dam is What's up. You have to appreciate the swope of her belly, her smooth front end, beautiful profile and big hip. That little touch of white on her belly and end of her tail just set her off. This heifer will be a judges favorite for sure.
Lot 8 Tag 8	\$1,250.00	8	HF Thor Shorthorn	BPF High Definition Maine	3/24/17	Steer	Shorthorn Plus or MaineTainer		Huber Farms 2015 N 400th Ave Plainville, IL 62365	Huber Farms, Grant or Dennis Huber, 217-257-7170	Believe it or not, under all this thick black hair this steer is actually a blue roan. He is a very laid-back keep-it-cool kind of steer. He doesn't get too excited about anything and would be great for a young showman or show lady. He is extremely clean and extended on his front end, super deep-bodied, with a thick square hip. He is sired by the 2013 Reserve Grand Champion Shorthorn Bull at the Illinois State Fair HF Thor. HF Thor is in the supporting pictures for this Lot. The dam of this guy has done nothing but produce high-quality calves for this sale for the last 4 years. Ever since we purchased her from Bushy Park Farms, she has raised a calf every year for our sale and I think this is her best one yet. She is also pictured in the supporting pics. This steer could be registered as a Shorthorn Plus or a MaineTainer.

Lot 9 Tag 9	\$1,250.00	9	MAB	Ali x Jazz	4/3/171	Steer	Crossbred		Huber Farms 2015 N 400th Ave Plainville, IL 62365	Krutmeier Cattle Stan Krutmeier 217-242-0330	Last but not least of our three embryo steers. This MAB steer has the most sheer muscle and top in him. He stands on a big foot and leg. He is going to be the easy doing, heaviest muscled of the 3 brothers. You really cannot go wrong with any of these embryo calves, this cow has never disappointed with her offspring.
Lot 10 Tag 10	\$1,250.00	10	HF Thor Shorthorn	Sunseeker Chi	3/26/17	Steer	Shorthorn Plus or Chi		Huber Farms 2015 N 400th Ave Plainville, IL 62365	Huber Farms, Grant or Dennis Huber, 217-257-7170	"This steer is one of the prettiest colored calves we've pictured for a long time" said Gary, who was our picture lady's helper in the pic pen, and boy is he right. This guy has just the right combination of red and white hair and tons of it. He would also be perfect for a young showman or show lady because he will come right up to you in the sale pen and lick you to death. He has a top so wide you could land a plane on it and has tons of rib shape and dimension with a thick square hip. He is sired by the 2013 Reserve Grand Champion Shorthorn Bull at the Illinois State Fair HF Thor. HF Thor is in the supporting pictures for this Lot. This steer could be registered as a Shorthorn Plus or a Chi.
Lot 11 Tag 11	\$1,500.00	11	Brilliance	Monopoly	3/21/17	Heifer	Chi Angus		Huber Farms 2015 N 400th Ave Plainville, IL 62365	Krutmeier Cattle Stan Krutmeier 217-242-0330	This heifer is definitely one of the most feminine in the offering but bit greener. We hadn't pulled her into the line up until later and her dam is a first calf heifer. She is really coming on. Very feminine, that soft thick hair, long fronted smooth walking heifer. When you picture a Chi-Angus heifer, she is the perfect image. The combination of Monopoly and Brilliance is sure a hit, as seen in this heifer.
Lot 12 Tag 12	\$1,500.00	12	Fu Man Chu	Chi/Angus	4/1/17	Heifer	Chi/Angus		Huber Farms 2015 N 400th Ave Plainville, IL 62365	Huber Farms, Grant or Dennis Huber, 217-257-7170	Sometimes, we clubby guys forget to check for good feet and legs as long as they have tons of bone and a huge rear end. Well, these last couple years we have really strived to find clubby bulls that are sound on their feet and legs and still have enough power to compete with the big boys. These next 3 Huber Lots 12, 14, and 16 are all sired by Fu Man Chu and soundness is his specialty. Fu Man Chu's feet and legs are square and it shows through in all 3 of these lots. The first Fu heifer is older and more mature in her make up. She is level from hooks to pins and has plenty of length from head to tail. Her Chi/Angus mother gives her that super clean and smooth front end. Her mother has been in our herd for 10 years and has raised a calf every single year. We have kept the last 4 heifer calves out of her so now we feel that it's time to offer one to you.
Lot 13 Tag 13	\$1,500.00	13	No Worries	Carpe Diem x Ali	4/19/17	Heifer	Low % Chi		Huber Farms 2015 N 400th Ave Plainville, IL 62365	Krutmeier Cattle Stan Krutmeier 217-242-0330	Very gentle, sweet disposition heifer good for a young showman. No lie, this heifer was halter broke, washed and clipped in 2 days. Believe us, it is not usually that easy. She has hair like a Yak and has been trimmed 3 times already. Her hair grows back very fast. She is deep sided, big hipped and has good bone and yet she is still feminine. She is a sweetie.
Lot 14 Tag 14	\$1,250.00	14	Fu Man Chu	Mercedes Benz MaineTainer	3/2/17	Steer	MaineTainer		Huber Farms 2015 N 400th Ave Plainville, IL 62365	Huber Farms, Grant or Dennis Huber, 217-257-7170	Lot 14 is the only Fu Man Chu steer we had this year, but I wish I had 10 more just like him. This guy is really freaky fronted. He is so clean under his neck and it blends perfectly back into his smooth shoulder. And again, Fu Man Chu gives this steer those perfect feet and legs straight forward. He walks right into it and sets up perfect every time and would be good for a young showman or show lady. His mother is so gentle we can walk right up her in the pasture and she lets you scratch her back. I think this steer could be the sleeper in my set of calves this year.
Lot 15 Tag 15	\$1,500.00	15	Fear This	Driver x WMW/Total Play	4/3/17	Heifer	MaineTainer		Huber Farms 2015 N 400th Ave Plainville, IL 62365	Krutmeier Cattle Stan Krutmeier 217-242-0330	You want a great cow? This is the heifer that is going to be a totally awesome cow. Her mother was sired by Driver (Simmi). When Hartman cattle switched to Simmental, they started with a base heard of 100 half-blood Driver daughters. They consider Driver daughters to be fault-free, sound, neat fronted, moderate framed, high volume, with perfect udders and small teats. The Dam of this heifer is our best Who Made Who cow. The Heifer's sire is Fear This, who is old school Maine and a never miss for productive cattle. Buy with confidence on this deep hipped, sleek fronted heifer, her pedigree alone is well worth the investment.

Lot 16 Tag 16	1500	16	Fu Man Chu	Angus	5/3/17	Heifer	Chi/Angus		Huber Farms 2015 N 400th Ave Plainville, IL 62365	Huber Farms, Grant or Dennis Huber, 217-257-7170	This is the younger Fu heifer in the sale offering. She is a May, but she can still hold her own in the sale pen. She is super thick ended, lots of width and dimension, and still very clean and extended in her front end. She is out of a massive brute Angus cow that can flat out produce. We kept her full sister Fu 47 as a replacement heifer last year, and Fu 47 looks amazing in the first calf heifer pen. Feel free to stop by and see what the future holds for this lot 16 heifer.
Lot 18 Tag 18	1500	18	BPF Hard Drive Son	Summit MaineTainer	5/23/17	Heifer	Maine		Huber Farms 2015 N 400th Ave Plainville, IL 62365	Huber Farms, Grant or Dennis Huber, 217-257-7170	We are selling lot 18 as a market heifer. We believe she would show very well in this division. She is only a May, but she has all the pieces to be a good one. Her Grandmother is the best Monopoly cow on our farm and that is where she gets her awesome hair and killer look. Her mother is a maternal sibling to our best show heifer HF Aurora. She has a good square hip with plenty of rib shape. After you show this one as a market heifer, don't be afraid to take her back home and put her to work producing show steers for you.
Lot 20 Tag 20	1500	20	BPF Hard Drive Son	BPF Cotton County Chi	5/18/17	Heifer	MaineTainer		Huber Farms 2015 N 400th Ave Plainville, IL 62365	Huber Farms, Grant or Dennis Huber, 217-257-7170	Double shot of Bushy Park Farms genetics here people. We have always known this little May heifer was going to be something special since the day she was born. She always catches your eye in the pasture because she has such perfect lines when viewed on the profile. She is sired by a Bushy Park Maine Anjou bull we purchased in 2015. This is his first true calf crop and boy are they good calves. He makes them thick and stylish enough to complete while still having the maternal side that all cows need to produce and make it in the long run. We call her mother the 29 cow and she had a super good Benz heifer last year that we kept for the replacement pen, so we are offering this little heifer for the sale.
Lot 22 Tag 22	1250	22	BPF Hard Drive Son	Chi/Angus	3/17/17	Steer	Crossbred		Huber Farms 2015 N 400th Ave Plainville, IL 62365	Huber Farms, Grant or Dennis Huber, 217-257-7170	This steer might be the last one in the sale, but don't count him out. He is good haired with a good square hip and a great profile. He is also sired by our Bushy Park Maine Anjou bull and that is where he gets his thick square hip. Thank you everyone for viewing our sale cattle. Please call if you have any questions about any of the lots.
